

MSD: One Step High Traffic

ND = Not Determined, NE = Not Established, NA = Not Applicable

Product:

Name: GL. CS. High Traffic
Number: X907
Type: High Speed Restorer
Chemical Family: Floor Coating

Hazard Rating:

Health: 2
Flamability: 0
Reactivity: 0
P. Protection: B

Chemical Name:

Chemical Name:	CAS NO	WT%	PEL	TWA-LTV	STEL-TLV	Carcin
Nonionic Surfactant	9016-45-9	4-7	ND	ND	ND	N
Dipropylene Glycol Methyl Ether	34590-94-8	1-5	100	100	100	N
Polyethylene Emulsion	67892-91-5	3-6	ND	ND	ND	N
Fragrance	Trade Secret	<1	ND	ND	ND	N

Boiling Range: 212 F
Vapor Pressure: ND
%Volatile: 85-95
Specific Gravity: 1.01
Extinguishing Media: NA

Vapor Density: Air
Solubility in Water: 100%
pH: 8.4
Evaporation Rate: Water

Upper Explosive Limit: NA
Unusual Fire & Explosion Hazards: NA
Special Fire Fighting Procedure: NA
Flash Point (Method Used): NA

Physical Description: Milky liquid, floral fragrance
Stability: Stable
Incompatibility: Strong Acids
Hazardous decomposition products: Normal Products of Combustion
Hazardous Polymerization: Will not occur

Precautions to be taken in handling & Storage: Keep out of reach of children. For use by trained person only. Keep container closed during storage. For Institutional use only. **Store away from fire**

Respiratory Protection: No Special Requirements

Protective Gloves: Waterproof or Chemical Resistant
Eye Protection: Where contact is possible wear chemical splash goggles.
Ventilation: Provide good ventilation to keep TLV at acceptable levels
Spillage: Mop up, pick up with wet vac, or absorb with suitable absorbent
Disposal: In accordance with Federal, State, & Local Regulations.

Physical Hazards:

Eyes: Eye irritant. Direct contact of liquid or mist cause irritation.
Skin: Prolonged or repeated contact with skin may cause irritation / defatting of skin
Inhalation: ND
Ingestion: May cause irritation to the mouth, throat, and stomach. Vomiting & diarrhea can be expected with large doses.

Treatment:

Eyes: Flush with running water for at least 15 min. Call a physician if irritation persists.
Skin: Flush with water. See a physician if irritation persists.
Inhalation: Remove to fresh air
Ingestion: Drink large quantities of water. Seek medical attention immediately

Supplier Information:

Name: IDP LABS
Address: 1719 West Farms Rd.
Bronx, N.Y.10460
Telephone: 1-800-877-0847
